Dry Lining Apprentice

Job Code: BW203
Location of Work: Brent
Contract Hours: On site for four days per week and attend college for one day a week.
Most site hours are Monday to Friday 08.00-17.00.
Salary: £4.35- £8.21 p/h
Qualification: NVQ Level 2 Drylining

Summary:

Dry liners build internal walls in residential and commercial structures. They use plasterboard panels to reduce cost and weight and also to make the walls easier to move or remove. As a dry liner, your work will involve a 'fixing' stage, followed by a 'finishing' stage.

Job Duties and Responsibilities:

At the 'fixing' stage, you will:

- Measure and cut plasterboard to the right sizes and angles
- Fix the panels to timber or metal frames (or ceiling joists) using special studs
- Cut panels to fit around doorways and create openings for windows

You will then 'finish' the walls by:

- Sealing joints using filler or adhesive
- Taping over the seal either by hand or with a taping machine
- Applying a thin layer of plaster over the tape (skimming)
- Sanding down the area ready for painting and decorating

Dry lining methods are used to hide wiring or pipes, improve a room's acoustics, and provide a cavity space for insulation or to smooth out uneven walls during renovation work. This role could be combined with traditional plastering or other types of work, for example sectioning off areas in open-plan offices

Skills and Experience:

- Do not need to have any formal qualifications or training, although beneficial.
- Punctual
- Positive attitude to work and colleagues
- Ability and awareness of working safely
- Self-motivation
- Desire to learn
- Has strong self-awareness
- Is both resilient and committed
- Is always looking to improve
- Enjoys being a team player
- Entry Level 3 in Functional skills or GCSE grade 2/G or above in English and Maths

Please note: **Priority will be given to Brent residents in the first instance.** This vacancy may close before the advertised closing date if a sufficient number of suitable applications are received. Early application is therefore recommended.

Closing date: Ongoing

Carpentry Apprentice

Job Code: BW205
Location of Work: Brent
Contract Hours: On site for four days per week and attend college for one day a week.
Most site hours are Monday to Friday 08.00-17.00.
Salary: £4.35 - £8.21 p/h
Qualification: NVQ L2 Carpentry

To become a carpenter, you need reasonable maths skills for measuring and working out angles and you'll need to follow technical drawings and plans. With experience, you could progress to site supervision and construction management roles, or move into a specialised area, like restoring buildings or making props. You could also work in kitchen and bathroom fitting or move into teaching.

Job Duties and Responsibilities:

As a carpenter you may work in one or more of the following areas:

- cutting and shaping timber for floorboards, skirting boards and window frames
- making and assembling doors, window frames, staircases and fitted furniture
- fitting wooden structures, like floor and roof joists, roof timbers, staircases, partition walls, and door and window frames (first fixings)
- installing skirting boards, door surrounds, doors, cupboards and shelving, as well as door handles and locks (second fixings)
- building temporary wooden supports for concrete that is setting, for example on motorway bridge supports or building foundations (formwork)
- making and fitting interiors for shops, hotels, banks, offices and public buildings

Job Duties and Responsibilities:

- Punctual
- Positive attitude to work and colleagues
- Practical ability and awareness of working safely
- Self-motivation and desire to learn
- Is both resilient and committed
- Good co-ordination skills and a methodical approach
- Is always looking to improve
- Enjoys being a team player
- On completion of NVQ L2 in carpentry you will gain your blue trade specific CSCS card which enables you to work as a qualified Carpenter.
- Entry Level 3 in Functional Skills or GCSE grade D (3) or above in English and Maths.

Please note: **Priority will be given to Brent residents in the first instance.** This vacancy may close before the advertised closing date if a sufficient number of suitable applications are received. Early application is therefore recommended.

Closing date: Ongoing

Painting and Decorating Apprenticeship

Job Code: BW206
Location of Work: Brent
Contract Hours: On site for four days per week and attend college for one day a week.
Most site hours are Monday to Friday 08.00-17.00.
Salary: £4.35- £8.21 p/h
Qualification: NVQ Level 2 Painting & Decorating

Painters and decorators use a range of coverings to enhance and protect surfaces. These surfaces could include plaster, metal and wood. If you like practical work and enjoy being artistic, this could be a perfect career for you.

To be a painter and decorator, you should have good practical and creative skills. You will need to be able to work carefully and pay attention to detail. Sometimes you'll need a good head for heights. On completion of NVQ L2 in painting & decorating you will gain your blue trade specific CSCS card which enables you to work as a qualified painter & decorator.

Job Duties and Responsibilities:

- Measuring surface areas to work out how much paint or wall covering you need
- Stripping off old wallpaper or paint
- Filling holes and cracks and making sure surfaces are level
- Preparing surfaces with primer and undercoat
- Mixing paint to the right shade, either by hand or using computerised colour-matching equipment
- Applying layers of paint and hanging wallpaper
- Tidying up after finishing a job.

Skills and Experience:

- Punctual
- Positive attitude to work and colleagues
- Ability and awareness of working safely
- Self-motivation
- Desire to learn
- Has strong self-awareness
- Is both resilient and committed
- Is always looking to improve
- Enjoys being a team player
- Entry Level 3 in Functional skills or GCSE grade Level 2/G or above in English, Maths.

Please note: **Priority will be given to Brent residents in the first instance.** This vacancy may close before the advertised closing date if a sufficient number of suitable applications are received. Early application is therefore recommended.
